Respect, Responsibility, Resilience

As we near the end of another term the children are beginning to tire but what a great few weeks we have had. From dinosaurs roaming the classrooms at night, wheelchair basketball, learning archery on our press pause day and my personal highlight, watching our dance club children performing at the Sands Centre on Tuesday night, we have packed lots in.

Next Friday we are having a non-uniform day and would like to invite parents into school on Friday morning between 9:10 and 10:30 to join in with some of our Easter craft activities. Each child will be decorating a boiled egg. We have lots of craft materials in school but if you and your child would like to bring in any items from home that would be fine. There will be a prize for the best decorated egg in each class.

In the afternoon we also have several fun activities planned for the children.

Hello and Goodbye

It is with great sadness that we say goodbye to some members of staff. Miss Heron will be leaving us on Friday 31st March to move onto pastures new. She has taught a few classes in school and will be greatly missed. Mrs Tingey will cover this post during the summer term so the children will see little difference.

Mrs Tagerud has also decided not to return from Maternity leave as she enjoys spending time with her daughter Nellie and is moving from teaching into a role with the Hearing and Visual impairment team who move around schools from September.

Karen, one of our dinner ladies will also be leaving us next week. We wish all three of them the best for the future and thank them for all their work.

Mrs Marsh will be returning from Maternity leave next week and will be working with the Year 5 class throughout the summer term before moving in Year 6 with them from September.

Dates for the diary

Next week

Monday (3:30-4:15pm) – NO dance club (Mrs Bland out of school)
