

Petteril Bank School Persistent Absence Procedures

Identifying students

Using current and historical data students identified at risk of PA

Attendance concern phone calls, home visits and attendance concern letters actioned and recorded on/documents attached to CPOMS but no improvement in attendance

Aim of Plans - SUPPORT, SUPPORT, SUPPORT.
Prosecution is a last resort

Attendance Plan invitation

Both child's parents/carers who have legal parental responsibility are to be invited to an attendance plan meeting.

Letter should be supportive and include following: Risk of prosecution/ if parents fail to attend plans will be made in their absence /offer parents to make alternative appointment

Liaise with other local schools to ascertain attendance of siblings.

Attendance Action Plan

Summary of concerns

Minutes: Who attended, discussion (using signs of safety) - What's going well, concerns, well-being goals

Agreed actions and plan (which may be an Education Engagement Plan) signed by all present (target attendance for agreed number of wks, other interventions, medical evidence, unauthorised absence, home visits)

Parents should receive a hard copy of plan with a covering letter including review date, reminder of risk of prosecution, if parents fail to attend plans will be made in their absence, offer parents to make alternative appointment. Record on CPOMS

Weekly meetings are then held with students on the plan and students track their attendance over the agreed period. Throughout the programme, contact with home is maintained to give weekly updates of progress

Attendance Action Plan Review 1

Review of agreed Actions.
Targets met - plan closed.
EWO to monitor.
Targets not met - continue plan or initiate an Early Help Assessment. Possibly discuss with primary if siblings have attendance concerns.
